Following the submission and subject to meeting application requirements, an applicant will be required to attend FEE exam conducted by PEB.

For applicants who are retaking the exam, it is important to fill out the correct data that has been provided in the previous application to facilitate the processing of the new application.

4 Application for Fundamentals of Engineering Examination (FEE) – Step by Step Guide

To submit FEE application, go to the **Applications** tab. The **FEE icon** will be visible once the FEE examination session is open. Click the FEE icon to begin and submit your application.

4.1 Submission of Application

The online application form should take about 10 to 15 minutes to complete. All entries are to be made in Title Case (i.e. Capitalise Each Word). During the application process, you may save your progress by selecting **"Save as Draft"**. This allows you to return and continue from where you left off the next time you logged in. To resume, simply click on the application with a **"Draft"** status on your dashboard.

Step 1 - Declaration

Before you proceed to apply for FEE, you are required to select your applied engineering branch, and system will auto populate if you have retake. You will also be required to read about the requirement, and you declare that you have done so. You may click and read the requirements at *"Information for Applicants – Fundamentals of Engineering Examination"*, please review all declarations carefully and check the corresponding boxes where applicable to proceed with the application.

Note: The **"Proceed"** button will be enabled only after you have opened and reviewed the requirements under **"Information for Applicants – Fundamentals of Engineering Examination"** and checked all the required declaration boxes.

The screenshot shows the 'Declaration' step of the application form. On the left is a vertical progress bar with steps: Declaration (highlighted), Personal Particulars, Contact Information, Employment Information, Summary of Education, Supporting Documents, Summary, and Payment. The main content area has a header 'Application for Fundamentals of Engineering Examination (FEE)' and a sub-header 'Before you proceed to register for the FEE examination, you are required to read and understand the requirements for registration as a professional engineer and you declare that you have done so.' Below this are two dropdown menus: 'Applied Engineering Branch*' and 'Retake of Fundamentals of Engineering Examination (FEE)'. The 'Declaration:' section contains three checkboxes with text: 1) 'Please click and read the requirements at Information for Applicants - Fundamentals of Engineering Examination. I have read and understood the requirements for registration as a professional engineer. I would like to register for Fundamentals of Engineering Examination 2025 (FEE 2025)' (unchecked); 2) 'I hereby submit my application to sit for the FEE 2025. I authorise the Professional Engineers Board (PEB) to seek verification on the information submitted in any manner and by any means it deems fit and proper.' (unchecked); 3) 'I would like to proceed with my application. I understand that PEB will make a partial refund of \$305.00 should my application not be accepted by PEB.' (unchecked). A 'Proceed' button is at the bottom right. A grey bar at the top of the form indicates 'Estimated time to complete this form: 20 Minutes'.
